Get Up and Go

Jason Lytle

Get up and go, you can do it
Everything's gonna be alright
Get up and go, you can do it
Everything's gonna be alright
You can do it
You can do it
You can do it
You can do it
Everything's gonna be alrightGet up and go, you can do it
Everything's gonna be alright
Get up and go, you can do it
Everything's gonna be alright
You can do it
You can do it
You can do it
You can do it
Everything's gonna be alrightYou can do it
Everything's gonna be alrightYou can do it
Everything's gonna be alright
