Dead On Time

Queen

Fool always jumpin' never happy where you land
Fool got my business make your living where you can
Hurry down the highway
Hurry down the road
Hurry past the people starin'
Hurry hurry hurry hurry

Leave on time leave on time
Never got your ticket but you leave on time
Leave on time leave on time
Gonna get your ticket but you leave on time
Leave on time leave on time
Put it in your pocket but you never can tell

Leave on time leave on time
Shake that rattle gotta leave on time
Leave on time leave on time
Fight your battle but you leave on time
Leave on time leave on time
Never got a minute no you never got a minute
No you never never got oh no matter

Fool got no business hangin' round and tellin' lies
Fool you got no reasons but you got no compromise
Stampin' on the ceilin' hammering on the walls
Gotta get out gotta get out gotta get
Oh you know I'm goin' crazy

Leave on time leave on time
Gotta get ahead but you leave on time
Leave on time leave on time
Gotta head on ahead but you leave on time
Leave on time leave on time
You're runnin' in the red but you never can tell

Honey honey where's my money where's my money
Want to get away want to get away
Leave ya leave ya leave ya

Leave on time leave on time

Gotta get rich gonna leave on time
Leave on time leave on time
But you can't take it with you when you leave on time

Leave on time leave on time
Got to keep yourself alive gotta leave on time
Gotta leave on time leave on time
Dead on time
You're dead
