

# Forgiveness

## Goldfinger

So you've decided to blame him again  
For all your choices  
Seem like the softer way out You think it just might make life easier  
Than swallowing it  
You've made a fine career out of guilt Maybe he just did the best he could with what he had  
Maybe he just did the best he could Forgiveness, forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself Forgiveness, forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself So you've decided to blame him again  
For all your choices  
Seem like the softer way out You think it just might make life easier  
Than swallowing it  
You've made a fine career out of guilt Maybe he just did the best he could with what he had  
Maybe he just did the best he could Forgiveness, forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself Forgiveness, forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself Don't you know what comes around goes around?  
Don't you know what comes around goes around?  
Don't you know what comes around goes around?  
Don't you know what comes around goes around? Don't you know what comes around goes around?  
Don't you know what comes around goes around?  
Don't you know what comes around goes around?  
Don't you know what comes around goes around? Round and round and round and round and round Forgiveness,  
forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself Forgiveness, forgiveness  
Try and let it go, why don't you?  
Forgiveness  
Just might save yourself So you've decided to blame him again  
For all your choices  
Seems like the softer way out Forgiveness, forgiveness  
Let it fucking go, why don't you?

Forgiveness  
Starts with yourself
