Redline

Thunderhead

Way past overdrive
Full on redline
No easing up
Your life's flying byPushing and passing yourself
You've just passed
First over the finish
You still come in lastFace turning to stone
Your eyes owl wide
No easing up
More speed is your highLook and feel twice your age
Grinding in your silent rage
Dying at twice the speed
Yet not enough to quench your needRedline, foot to the floor
Redline, slow paced is a bore
Redline, yourself you've just passed
Redline, you still come in lastRedline, foot to the floor
Redline, slow paced is a bore
Redline, yourself you've just passed
Redline, you still come in last
