Mary Magdalene

Meshell Ndegeocello

I often watch you the way you whore yourself
You're so beautiful
You flirt, tease, enviously I wish you'd flirt with mePerhaps I'm enticed by what you are
I imagine us jumpin' the broom, foolish I know
'Cause that's not the life you liveYou live alone, in a crowded bed
Never remembering faces, conversations
Just the body for the lonely
Spend one night with me, satisfy me for free
I'll love you endlesslyYourself and that you
Give them what they want
So give me what I wantTell me I'm the only one, give me
I want to marry you
Tell me I'm the only oneForgive me for what I wantTell me I'm the only one, give me
I want to marry you
Tell me I'm the only one, babyIn a harlot's dress you wear the smile of a child
With the faith of Mary Magdalene
Yet you wash the feet of unworthy menCome and I'll set you free
Into an endless valley of fruits both sweet and sour
And whatever displeases your palate
My kisses will wash away, stayIf you must dance, dance for me
So blessed are the pure at heart
For they shall see God
So close your eyes and dreamFor the world will blind you
And I'll judge not
So that I may not be judged
Give me what I wantTell me I'm the only one, give me
I want to marry you, babe
Tell me I'm the only one, the only oneYes babe, tell meTell me I'm the only one
I'm the only one, give me
Satisfy me for free
I want to marry youTell me I'm the only one, give me
Satisfy me for free
Tell meTell me I'm the only one
Satisfy me for free
Satisfy me for freeTell me, tell me I'm the only one
[Incomprehensible]
Your angel eyes
The only one
So blessed are the pure in heartSatisfy me for free

Your angel eyes
Tell me I'm the only one
Satisfy me for freeTell me I'm the only one
Satisfy me for free
