

Safe Forever

Gyroscope

Quit analysing everything I say,
Stop policing me,
Ooo Ooo, Ooo Ooo
You have nothing on me,
Blank page, funny that,
Ooo Ooo, Ooo Ooo Do you remember every word I say,
Essentially, yes,
Ooo Ooo, Ooo Ooo
Now stare right back at me,
Blank faced, figured that,
Ooo Ooo, Ooo Ooo Did it for you girl, Did it for you,
Did it for you, Did it for,
(X2) Ooo Ooo, Ooo Ooo
Ooo Ooo, Ooo Ooo Did it for you girl, Did it for you,
Did it for you, Did it for,
(X2) Safe Forever, Forever
Safe Forever, Forever
Safe Forever, Forever
Safe Forever, Forever
(Safe Forever, Forever
Safe Forever, Forever
Safe Forever, Forever
Safe Forever, Forever
Forever!) Did it for you girl, Did it for you,
Did it for you, Did it for,
(X2)
