

Super Lyrical

Big Punisher

Ayyo, my murderous rap verbal attack is actual fact
Tactical tracks match perfectly with graphical stats
 Half a you lack the magical dap of tragical rap
That tackles you back and shackles and laughs at you
 That's the mathematical madness I'm on
The savage, the strong, the marriage, a bond of havoc and song
 This massacre's on as if Picasso laced you
 There's lot's a hateful skeletons locked
 In the closet of my castle of Grayskull
 I'm possum at grade school
 That's why I have to debate you
My raps are like Capel, slashin' your face, you
 That's how a master degrades you
I'm battlin' Jesus if he passes through my label
 I'm snatchin' his halo
God, I pray that you send my father back as an angel
 Language is fatal and it's hypnotizin'
 I'm only emphazizin'
 I'm still all about business and enterprisin'
 I'm super lyrical, a brain boosts the chemicals
That's used contenicals inside of my mental project able
 Lyrically I'm supposed to represent
Niggaz'll tell you that I'm nice with the blah, blah, blah
 Lyrically I'm, I'm supposed to represent
 Black Thought, the super lyricist, your arch-nemesis
 Still with the Punisher, that's my accomplice
 Stressin' to emcees how they don't really want this
 Electrifying shit his excellency thought spit
These cats they sentimental such with a gentle touch
 Dancin' double dutch and all sayin' nothin' much
 My sound wave liftin' your chin up like uppercuts
 New found ways of rippin' shit up, I de-ve-lop
Your squad chest swell up, still you're miniature to me
 Naturally I bring the extremity
 Musically intense with the globe in suspense
 Contemplatin' where the world traveler been since
The Roots bless you with a strong record, long like a epic
 Immerse you in some ol' next shit, ill poetic
 Thought from Illadelph somethin' like nothin' else

My talk stomp like elephants upon every elf, 'cause what?

Ayyo, peace Roots east coast niggaz reppin' the streets

Most with heat, toast and keep close, more Phillies than Pete Rose

These dos, niggaz that'll lift ya mentals

Lyrics'll twist your temples into pretzels like the Triumph instrumental

My instrumental's the renaissance, no resemblance

To nothin' you come across, lyrical holocaust

The crowd pleaser emcees freeze then catch seizure

They praise the Lord of rap thesis, true believers

Just call me Baby Jesus 'cuz lately niggaz be praisin' me

Just for the way I blaze the beat crazily, tape to CD lasery

It pays to be amazingly flavory

Gaze in to my rhymes that basically hypnotize you occasionally

Occasionally as I focus on my next opus

The way it's all fucked up and emcees is hopeless

I leave your head wrecked as I erect sculptures

My thought's just a fortress, approach this ferocious up-closeness
