Pulp

The room is cold
And has been like this for several months
If I close my eyes, I can visualise everything in it
Right down
Right down to the broken handle on the third drawer down of the dressing table
And the world outside this room
Has also assumed a familiar shape
The same events shuffled in a slightly different order each day
Just like a modern shopping centre
And it's so cold
Yeah, it's so cold
What is this feeling called love?
Why me, why you?
Why here, why now?
It doesn't make no sense, no
It's not convenient, no
It doesn't fit my plans, no
It's something I don't understand, oh
F-E-E-L-I-N-G-C-A-double-L-E-D (and as I'm standing across this room I feel as if my whole life has been
leading to this one moment)
L-O-V-E, what is this thing that is happening to me? (and as I touch your shoulder tonight this room has become
the centre of the entire universe)
So what do I do?
I've got a slightly sick feeling in my stomach
Like I'm standing on top of a very high building, oh, yeah
All the stuff they tell you about in the movies
But this isn't chocolate boxes and roses, it's dirtier than that
Like some small animal that only comes out at night
And I see flashes of the shape of your breasts
And the curve of your belly
And they make me have to sit down and catch my breath
And it's so cold
And it's so cold
What is this feeling called love?
Why me, why you?
Why here, and why now?
Oh, it doesn't make no sense, no
It's not convenient, no
It doesn't fit my plans
But I got that taste in my mouth again, oh
F-E-E-L-I-N-G-C-A-double-L-E-D
L-O-V-E, what is this thing that is happening to me?
F-E-E-L-I-N-G-C-A-double-L-E-D
L-O-V-E, what is this thing that is happening to me?
Oh yeah, oh yeah

Oh yeah, oh yeah
