Burn the Witch

Radiohead

Stay in the shadows
Cheer at the gallows
This is a round upThis is a low flying panic attack
Sing a song on the jukebox that goesBurn the witch
Burn the witch
We know where you liveRed crosses on wooden doors
And if you float you burn
Loose talk around tables
Abandon all reason
Avoid all eye contact
Do not react
Shoot the messengersThis is a low flying panic attack
Sing the song of sixpence that goesBurn the witch
Burn the witch
We know where you live
We know where you live
