

Fireworks

The Tragically Hip

Tragically Hip Fireworks lyrics

If there's a goal that everyone remembers,

It was back in ol' 72

We all squeezed the stick and we all pulled the trigger

And all I remember was sitting beside you

You said you didn't give a fuck about hockey

And I never saw someone say that before

You held my hand and we walked home the long way

You were loosening my grip on Bobby Orr

Isn't it amazing anything's accomplished

When the little sensation gets in your way

Not one ambition whisperin' over your shoulder

Isn't it amazing you can do anything

We hung out together every single moment

Cause that's what we thought married people do

Complete with the grip of artificial chaos

And believing in the country of me and you

Crisis of faith and crisis in the Kremlin

And yea we'd heard all of that before

It's wintertime, the house is solitude with options

And loosening the grip on a fake cold war

Isn't it amazing what you can accomplish

When you don't let the nation get in your way

No ambition whisperin' over your shoulder

Isn't it amazing you can do anything

Next to your comrades in the national fitness program

Caught in some eternal flexed-arm hang

Droppin' to the mat in a fit of laughter

Showed no patience, tolerance or restraint

Fireworks exploding in the distance

Temporary towers soar

Fireworks emulating heaven

Til there are no stars anymore

Fireworks aiming straight at heaven

Temporary towers soar

Til there are no stars shining up in heaven
Til there are no stars anymore
Isn't it amazing what you can accomplish
When the little sensation gets in your way
No ambition whisperin' over your shoulder
Isn't it amazing what you can accomplish, eh
This one thing probably never goes away
I think this one thing is always supposed to stay
This one thing doesn't have to go away
