## Manticora

[Saga Of The Exiles Part 3]"Abbadon, the angel of the abys & king Aiken Lugonn,  
the lord of misrule"The timegate remains closed...Silence approach the many coloured land  
The domination is broken  
Power is for the jester to grasp  
Believing the daemon is chokin'Chaos, rivalry, betrayal and despair  
The mad girl, the raven, enthroned as a ghost  
Gathering golden Torcs and the "spear"  
The holy weapon of the shattered hostFre humans are makin' bloodmetal weapons  
The deadly poison to the ancient foe  
As the angel of the abyss  
Plans with the jester the final showA metaconcert - To kill off the girl  
Conspiracy - To take over the world  
The lord of misrule - Burned by the blizz  
Created with fraught - By the angel of the abyssRebellion, you Tanu brothers  
Bonded by blood  
The Battlemaster survived the flood...And now you die!Hovering above the castle of glass  
A mindblasting fight for supremacy  
The Battlemaster revenging his loss  
The king is victorious - TriumphantThe only remains of the giant warrior - a  
blackened silver hand.  
All hail the king of the manycoloured land.[Lars]
