

# If I Could Cry (It Would Feel Like This)

**Jens Lekman**

If I could cry  
it would feel like thisIf I could cry  
it would feel like thisOh If I could cry  
if I could cry  
if I could cry  
if I could cry  
it would feel like thisIf I could cry  
it would feel like thisIf I could cry  
it would feel like thisIf I could cry  
if I could cry  
if I could cry  
if I could cry  
it would feel like this
