

Motor Control

Treble Charger

All the news that's made to fit
And everybody has a share, you know
Didn't mean to be so down
I only get this way when you're around
I can't change my mind to suit things
Can you understand this version?
I will hold the phone for you
There is always time to lose
I'll decide the way to bring up
Ask me what is left that's new
Forget what you told me
There's a lot of things I don't believe
