

It's Too Late

Workshy

Stayed in bed all morning just to pass the time
There's something wrong here
There can be no denying
One of us is changing
Or maybe we've just stopped trying But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it, ohoh It used to be so easy living here with you
You were light and breezy
And I knew just what to do
Now you look so unhappy
And I feel like a fool
But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died
and I can't hide it
And I just can't fake it Hoooooh... Instrumental Hmmm... hmmm There'll be good times someday for me and you
But we just can't stay together
Don't you feel it too
Still I'm glad for what we had
And how I once loved you But it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it
It's too late baby
Too late, darlin
Too late, darlin
Too late baby
You know
It's too late my baby
