

# Silverscreen

Jesca Hoop

Stolen crown, pillow down  
All tangled in my head  
Evening gown, the lights downtown  
All dangle in the air  
Gates of heaven open, there is me  
On the silverscreen  
I hope they did good editing  
Belle and Beau, buck and doe  
A love of tender age  
Jill and Joe, do-si-do  
A tragedy on stage  
Gates of heaven open, there is me  
On the silverscreen  
I hope they did good editing  
Bye, bye, baby, bye, bye  
Hello to my beautiful mind, bye, bye  
Bye, bye, baby, bye, bye  
Hello to my beautiful mind, bye, bye  
Bye, bye, baby, bye, bye, bye  
Hello to my beautiful mind, bye, bye  
Bye, bye, baby, bye, bye  
Hello to my beautiful mind  
Crystal ball, padded wall  
A bright blue TV glare  
A moth to light is as lost as I'm found  
Fall cellar stairs  
Gates of heaven open, there is me  
On the silverscreen  
I hope they did good editing  
Bye, bye, baby, bye, bye  
Bye, bye, baby, bye, bye  
Bye, bye, baby, bye, bye  
Bye, bye, baby, bye, bye
