Low Rider

War

All my friends know the low rider
The low rider is a little higherLow rider drives a little slower
Low rider is a real goerLow rider knows every street, yeah
Low rider is the one to meet, yeahLow rider don't use no gas now
Low rider don't drive too fastTake a little trip, take a little trip
Take a little trip and see
Take a little trip, take a little trip
Take a little trip with me
