

# The Glory Of Love

Peter Cetera

Tonight it's very clear as we're both lying here  
There's so many things I wanna say  
I will always love you  
I will never leave you alone  
Sometimes I just forget to say things I might regret  
It breaks my heart to see you crying  
I don't wanna lose you  
I could never make it alone  
'Cos I am a man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love  
You keep me standing tall, you'll help me through it all  
I'm always strong when you're beside me  
I have always needed you  
I could never make it alone  
'Cos I am a man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love  
Just like a knight in shining armor  
From a long time ago  
Just in time I'll save the day  
Take you to my castle far away, yeah yeah  
I am the man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love  
I am the man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love  
I am the man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love  
I am the man who will fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together

That we did it all for the glory of love
