Go to Hell

David Ford

I never treated you so mean
Like that's a reason to be proud
My love, I know it's been so long
But I thought that I'd just call aroundAnd with that smile that says
Yeah, well, I knew you'd wait for me
I can hear you say
The day I fall down at your feetGo to hell
Go to hellWell, I thank you for your understanding
I won't be long
And for the things around the house
You left unthrownAnd hey, I know it's been so long
But I thought I'd call
And just come crawling back in time
To hear to you sayGo to hell
Just go to hell
Go to hellMy sweet indecision
Do you think I'd wait around for you?Just go to hell'Cause I don't deserve you
You don't deserve this
And tell me, heyGo to hell
Go to hell
Go to hell
Go to hell
