

# When I Gave Up on You

Blondie

When I gave up on you I took my time  
Waiting for reasons to change my mind  
But there were none My fever won, so it was clear to me  
That we should be done  
Even though it was breaking my heart  
You were perfect at the start  
So right, that's why Goodbye, so hard to say  
And that's the reason  
I haven't known that he walked away  
Away When I gave up on you, I gave up slowly  
Waiting for reasons to keep us going  
But there were none My fever won, so it was clear to me  
That we should be done  
Even though it was breaking my heart  
You were perfect at the start  
So right and that's why Goodbye, so hard to say  
And that's the reason  
I haven't known that he walked away  
Away  
I tried hard as I could  
Sometimes people try harder than they should  
Than they should We were one in a million galaxies  
One on a million wasn't good enough for me  
We were one in a million and you know it's true  
One on a million wasn't good enough for you When I gave up on you I took my time  
Waiting for reasons to change my mind  
But there were none  
But there were none Goodbye, so hard to say  
And that's the reason  
I haven't known that he walked away  
Away  
I tried hard as I could  
Sometimes people try harder than they should  
Than they should
