

To Love Somebody

Michael Bolton

There's a light, a certain kind of light
Never shone on me
I want my life to be
To live with you, to live with you There's a way everybody says
To do each and every little thing
But what does it bring
If I ain't got you, I ain't got you Baby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love you In my mind I see your face again
I know my frame of mind
You ain't got to be so blind
I'm blind, so very blind I'm a man, can't you see what I am?
I live and breathe for you
But what good does it do?
If I ain't got you, if I ain't got you Baby, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
The way I love you Oh yeah, you don't know what it's like
Baby, you don't know what it's like
To love somebody, to love somebody
To love somebody, you don't know To love somebody
The way I love you
You don't know, you don't know To love somebody, to love somebody
You don't know, ooh
To love somebody, to love somebody
The way I love you
