## **To Love Somebody**

## **Michael Bolton**

There's a light, a certain kind of light

Never shone on me

I want my life to be

To live with you, to live with youThere's a way everybody says

To do each and every little thing

But what does it bring

If I ain't got you, I ain't got youBaby, you don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

The way I love youIn my mind I see your face again

I know my frame of mind

You ain't got to be so blind

I'm blind, so very blindI'm a man, can't you see what I am?

I live and breathe for you

But what good does it do?

If I ain't got you, if I ain't got youBaby, you don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

The way I love youOh yeah, you don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

To love somebody, you don't knowTo love somebody

The way I love you

You don't know, you don't knowTo love somebody, to love somebody

You don't know, ooh

To love somebody, to love somebody

The way I love you
