D'Angelo

1, 2, 1, 2, 3
I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again I don't know what it is that you're doing
All I know is baby, that you're shonuff doin it good
And you look at me, and my hear just starts the moving
I haven't felt like this in a while Girl I want to thank you, for helping me find my smile
I found my smile again
You helped me, find my smile again
I found my smile again
My smile, hello hello smile, I haven't seen you in a while
Your love, girl your love, you make me feel like I'm on a cloud And since I laid eyes on you, my spirit's been
brand new
And I want to thank you child
Oh, helping me find my smile I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again I found my smile again
You helped me find my smile again
I found my smile again
You helped me find my smile again 1, 2, 1, 2, 3
You helped me, find my smile again
Honey baby got me smilin'
Honey baby got me smilin'
Honey baby got me smilin'
Honey baby got me smilin'
