I Hate Myself For Loving You

Joan Jett

Midnight, gettin' uptight, where are you?
You said you'd meet me, now it's quarter to two
I know I'm hangin' but I'm still wantin' youHey, Jack, it's a fact they're talkin' in town
I turn my back and you're messin' around
I'm not really jealous, don't like lookin' like a clownI think of you every night and day
You took my heart and you took my pride awayI hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for loving youDaylight, spent the night without you
But I've been dreamin' 'bout the lovin' you do
I won't be as angry 'bout the hell you put me throughHey, man, bet you can treat me right
You just don't know what you was missin' last night
I wanna see your face and say forget it just for spiteI think of you every night and day
You took my heart and you took my pride awayI hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for loving youI think of you every night and day
You took my heart and you took my pride awayI hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for loving youI hate myself for loving you
Can't break free from the things that you do
I wanna walk but I run back to you
That's why I hate myself for loving youI hate myself for loving you
I hate myself for loving you
I hate myself for loving youI hate myself for loving you
