

Hard to Love Me

Lukas Nelson & Promise of the Real

Is it really that hard to love me?
Does it take so much will to be with me?
I will never hurt you, love
I swear to the heavens above
Is it really that hard to love me?

Is it really that hard to hold me?
Can you let your heart go like you told me?
I will love you still,
More than anyone will
Is it really that hard to love me?

Is it really that hard to hold me?
Can you let your heart go like you told me?
I will love you still,
More than anyone will
Is it really that hard to love me?

Oh yeaâ€!
Is it really that hard to hold me?
