

# Angels (Junior Vasquez World Mixshow)

Jessica Simpson

I sit and wait  
Does an angel contemplate my fate  
And do they know  
The places where we go  
When we're grey and old  
'Cause I have been told  
That salvation lets their wings unfold  
So when I'm lying in my bed  
Thoughts running through my head  
And I feel the love is dead  
I'm loving angels instead And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead When I'm feeling weak  
And my pain walks down a one way street  
I look above  
And I know I'll always be blessed with love  
And as the feeling grows  
She breathes flesh to my bones  
And when love is dead  
I'm loving angels instead And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead
