Elektra

Refused

They stack the bodies a thousand high
A cardinal monument to touch the sky
They crown the peaks
So far estranged
But down in the dirt, nothing has changed
Nothing has changedNothing has changed
Nothing has changed
Nothing has changedNothing
NothingThe time has come, there's no escape
The time has come, there's no escape
There's no escapeInto the rabble, the panic seeps
One target hits us, another weeps
They scale the walls, their mind's deranged
But down in the dirt, nothing has changedNothing has changed
Nothing has changed
Nothing has changed
Nothing has changedNothing
Not a thingThe time has come, there's no escape
Time has come, there's no escape
There's no escape
