Bristol To London

Tricky

You know you say I move like a???
No you say I move like a pussy
Like someone a???
Like they look like a??? I get rich to
And then they cry like baby
Ya go on like toughest starest
Gansta yall or nothin'
But ya know what
Don't even like talkin' wit ya???
So yo
London's here
Bristol dere'
Bring all the mother f'ers '
Being scared
Cause I
Run this town
Like need no ground
You waiting to go to the bus
To clam you down
Put the mother of the world
And then we'll make em sound
Gonna run on his problems
Cause I know he is a clown
If you can't breast stroke
With the coat you're bound to drownYa straight up and down
Cause when I come though
You see me shinning
I represent chase
And team on team grinding
When you hear me strait
They all say sign him ha
Come on dog I'm one linein'
Especially man up
Who's got the wine in'
You wanna hate
A little cute pussy gettin' lined in
What I wanna do is
Step with my team on the mat
A couple or more of these tracks are rapThis is a hold up

When we roll up
When we run up to the enemy they fold up
This is Bristol and this is London
Collaboration east of the junctionThis is a hold up
When we roll up
When we run up to the enemy they fold up
This is Bristol and this is London
Collaboration east of the junctionLondon's there
Bristol's here
Strait Z fools they's
Up in the gear
Ya misty
Locked up and nobody missed me
Hold the pistol
On the ranks
Ya I know it's risky
Know that the police
They still like to frisk me
They wanna lock me up
Like till I'm over sixty
More of them grew up
Like an old school fisty
Making hit 9 news
Like the prison kids they go
Suck your money
If you think you can diss me
Cause a gun sight
You gonna making wish
They never went a roll
On a beating fist spree
Existy swiftly moving on quickly
Rap mango's god I'm bringing you with me
It's like on E-bay
They bidding to get me
Said that to the gangsta
So they better respect me
Just that
You know this tracks a rapThis is a hold up
When we roll up
When we run up to the enemy they fold up
This is Bristol and this is London
Collaboration east of the junction
