

# Back To December - Acoustic

## Taylor Swift

i'm so glad you made time to see me  
how's life, tell me how's your family  
i haven't seen them in a while  
you've been good, busier than ever  
we small talk, work and the weather  
your guard is up, and i know why  
because the last time you saw me is still burned in the back of your mind  
you gave me roses and i left them there to die

so this is me swallowing my pride  
standing in front of you saying i'm sorry for that night  
and i go back to december all the time  
it turns out freedom ain't nothing but missing you  
wishing i'd realized what i had when you were mine  
i go back to december, turn around and make it alright  
i go back to december all the time

these days i haven't been sleeping  
staying up playing back myself leaving  
when your birthday passed and i didn't call  
then i think about summer, all the beautiful times  
i watched you laughing from the passenger side  
And realized i love you in the fall  
and then the cold came, the dark days when fear crept into my mind  
You gave me all your love and all i gave you was goodbye

so this is me swallowing my pride  
standing in front of you saying i'm sorry for that night  
and i go back to december all the time  
it turns out freedom ain't nothing but missing you  
wishing i'd realized what i had when you were mine  
i go back to december, turn around and change my own mind  
i go back to december all the time

i miss you tan skin, your sweet smile, so good to me, so right  
and how you held me in your arms that september night  
the first time you ever saw me cry  
maybe this is wishful thinking  
probably mindless dreaming  
but if we loved again, i swear i'd love you right

i'd go back in time and change it, but i can't  
so if the chain is on your door i understand

but this is me swallowing my pride  
standing in front of you saying i'm sorry for that night  
and i go back to december  
it turns out freedom ain't nothing but missing you  
wishing i'd realized what i had when you were mine  
i go back to december, turn around and make it alright  
i go back to december, turn around and change my own mind  
i go back to december all the time
