Nimble Bastard

Incubus

[Verse 1]
Has it come to this?
We're stuck in the weeds
I get it, I'm not perfect, I was never trying to be
But I'm not long for this earth
If we really only ever get one chance to burn
I gotta trip before I can see the finish
How else would I learn?
I wanna know, how is it you do it?[Chorus]
When you land on your feet
You're a nimble bastard
And you don't skip a beat
Such a nimble bastard
Salt of the earth
Such a nimble bastard
Yeah, won't you show, lowly us
How do you see the stars from that far down?[Verse 2]
I swing and I miss
And then come the creeps
It makes me want to faint
I wanna know, how is it you do it?
How do you spill the paint?
And then fit it into a frame?[Chorus]
When you land on your feet
You're a nimble bastard
And you don't skip a beat
Such a nimble bastard
Salt of the earth
Such a nimble bastard
Yeah, won't you show, lowly us
How do you see the stars from that far down?[Break][Bridge]
Has it come to this?
Has it come to this?[Chorus]
When you land on your feet
You're a nimble bastard
And you don't skip a beat
Such a nimble bastard
Salt of the earth
Look out

Won't you show, lowly us
How do you see the stars from that far down?
You're a nimble bastard
Salt of the earth
Such a nimble bastard
Salt of the earth
You're such a nimble bastard
Yeah, won't you show, lowly us
How do you see the stars?
