Like A Bullet

Stefanie Heinzmann

So many times you have seen me around and
when you've seen me you'll know what I'm about
I'm not the typ of girl who cares what you think
I choose to swim when all the others just sinkThe one thing that's true is
I ain't gonna be nobody's foolRefrain
But you, you're the only one that ever got me
and you, got me feeling like that
and you like a bullet in my heart
that shot me right down, boy
and I can't get enough of thatSo, if you're ready we can take it real slow
now that I told you what I want you to know
I'm waiting patiently for you to agree
and if you're clever then you'll know what I mean
There's one thing you need
and I'm about to show you how it feelsRefrain
But you, you're the only one that ever got me
and you, got me feeling like that
and you like a bullet in my heart
that shot me right down, boy
and I can't get enough of thatI don't knew what it is that you do to me baby
if you knew would you tell that you feel the same way that I doRefrain
But you, you're the only one that ever got me
and you, got me feeling like that
and you like a bullet in my heart
that shot me right down, boy
and I can't get enough of that
But you, you're the only one that ever got me
and you, got me feeling like that
and you like a bullet in my heart
that shot me right down, boy
and I can't get enough of that
