

Here I Am

The Three Degrees

If you want a woman
To treat you good
If you want to be understood
Here I am
Mm-hmm, mm mmm, yeah If you want a woman
To treat you right
Love you both day and night
Here I am Oh, oh, oh, oh
Just look over your shoulder
And darling,
Reach out for me (hey)
Oh, oh, oh, oh
All you got to do is call my name
And I'll be there
Right where I'll be, ooh
Mm mmm, mm mmm If you want a woman
To satisfy
Love you till the day I die
Here I am
Come and get me
Come and get me Here I am, baby
Ooh, baby, here I am
Here I am, baby
Mmm, here I am Hey
Oh, oh, oh, oh
Just look over your shoulder
And darling,
Reach out for me, oh
Oh, oh, oh, oh
All you got to do is call my name
And I'll be there
Right where I'll be, oh
Mm mmm, ooh Here I am, baby
Yeah
Oh, here I am
Yeah Here I am, baby
Mmmm, here I am
Here I am, baby
Ooh, here I am

Here I am, baby
I got sweet love
Here I am, baby
I got good love
Here I am, baby
Oooh, here I am
Here I am, baby
Mm-hmm, here I am
Here I am, baby
Oooh, here I am
Here I am, baby
