And I Say to Myself

[David Bowie](#)

And I say to myself
I've got it wrong, wrong, wrong
She is a play-girl
She the wrong wrong girl for me
And I say to myself
You're a fool, fool, fool
She doesn't love you
She doesn't need you, this I knowShe's got a trail of men that she takes
Wherever she goes
She hasn't the strength to love any single man for a length of time[And I say to myself]
Ooh, I don't stand a chance
[And I say to myself]
It's a long long romance
[And I say to myself]
Well, she's out to slay
[And I say to myself]
Well, she's got it made
[And I say to myself]
Oh yeah, oh yeah
[And I say to myself]
Oh yeahAnd I say to myself that she shouldn't love anybody else in the world but me
And I say to myself
Forget her now, now, now
She don't want you
She don't love you anymore
And I say to myself you're a fool, fool, fool
She's don't love you
She don't need you, this I knowAnd I turn around and look at myself
You'll never get her, you're a fool
Say after me I'm a fool- I'm a fool[And I say to myself]
I can't get what I want
[And I say to myself]
And it makes me sad
[And I say to myself]
I can't get what I want
[And I say to myself]
And it makes me mad
[And I say to myself]
Oh yeah, oh yeah

[And I say to myself]

Oh yeahAnd I say to myself that she shouldn't love anybody else in the world but me, yeah

Yeah[And I say to myself]

Oh, I feel so sad

[And I say to myself]

She's making me mad

[And I say to myself]

And I say to myself

[And I say to myself]

That I love her

[And I say to myself]

And I say to myself that I need her

[And I say to myself]

Oh, I need herAnd I say to myself I'm a fool

And I say to myself
