Life Machine

Danny Kirwan

Written by danny kirwan.Waiting for the sun to rise and shine
Through the mist and trees
Wonder if my love is still asleep
It's dark and I can't seeWonder where I'm going
Where I've been
Maybe up to london to see the queen
Isn't it funny how we've been
Over so many ways in a life machineKeep on lovin' you
Keep on lovin' you and
Oh...Waiting for the sun to rise and shine
Through the mist and trees
Wonder if my love is still asleep
It's dark and I can't seeWonder where I'm going
Where I've been
Maybe up to london to see the queen
Isn't it funny how we've been
Over so many ways in a life machineKeep on lovin' you
Keep on lovin' you and
Oh...
Oh...
Oh...
Oh...
