

Liar

Deana Carter

You promised me that I'd be
The only one you'd ever love
And all of our dreams would come true
And I could always count on you
Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar
You said the stars were all ours
And that heaven's just a kiss away
And when we were old you would hold me
And love me til our dying day
Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar
Loves gonna get you back someday
Loves gonna get you hey, hey, hey
Loves gonna be the price you pay
Liar, cheater
I bet you break more hearts than anyone
Loser, leaver
Sometimes I think you do it just for fun, liar
