

Heather Angel

Sonic Youth

Never gonna tell you do it
A world below
Heather Angel, you are somewhere
Often ashore
Don't you think you would find
Where to go?
I want to go dancin'
On the other side
I want to buy a phonograph
But the money's gone
He bought books and records
I don't care about that
I just want to be alive
And go to the other
I don't want money or books
Have to decide
Passive And you were shot
In the name of it
And then you'd see
Yea yea yaa yea yea
Then you'd see
The relation
The ship
The ship to
And walkin' I see you
In a cloud
And I fall for
I would fall for you
I would
I would
Forever
Forever
Just for you
Just for
The goodbye
Bye
The goodbye
(Bye)
And that is all

Stop stop stopHere I go

Here I go

Here you go now

Here we go, way

Here go

Go, go

Go, go, go

Aah

Waa ooo
