

Threatening Skies

Obituary

Found once, live wise
The taste to come, we'll go
Lost right, taking the face
The coming showThreatening skies
Threatening skiesI will fear, rising forms more slow
Live the spell
Takes the coming spell forth
Ravishing you all, ravishing you allThreatening skies
Threatening skiesFound once, live wise
The taste to come, we'll go
Lost right, taking the face
The coming showThreatening skies
Threatening skies
Threatening skies
