

What Is This I Find?

Weezer

[Jonas]:

What is this I find?

[Wuan]:

Our mission has been compromised

[Jonas]:

I wonder which of us best friends opened and used it?

[Dondo]:

Maybe your favorite bitch, Jonas

[Jonas]:

It could have been any of us

[Wuan]:

Even you, Dondo

[Dondo]:

Hey man, get off! For all we know it was you who took the package

[Jonas]:

Wait, there's someone at the back of the room

[Wuan]:

Who's there?

[Maria]:

Oh Jonas, I love you....
