Trippin'

Carl Henry

Dont know, dont know
Doin to me
Dont know, dont know
Doin to meEver since I saw you
I've been trippin
I'm tryin to get myself
To get a girl
You've got me slippin
I know you got a man
But he don't know me
Girl I know you
So what we gon do?
I'm tryin to stay coolYou got me trippin girl
And you gotta know (know)
I'm lovin what you're doin' to me
You drive me crazy girl
And you gotta know (know)
I'm lovin what youre doin' to meYou got me trippin (oh oh)
You got me trippin (oh oh)
You got me trippin
Lovin what you're doin' to me
You got me trippin (oh oh)
You got me trippin (oh oh)
You got me trippin
Lovin what you're doin' to meEver since I saw you
I been different
I swear my homies call me
I don't even want to kick it
I think I lost my mind
But girl I feel free
And all I want is you
So what we gon do?
I'm tryin to stay coolYou got me trippin' girl
And you gotta know (know)
I'm lovin what you're doin' to me
You drive me crazy girl
And you gotta know (know)
I'm lovin what you're doin' to meYou got me trippin (oh oh)
You got me trippin (oh oh)

You got me trippin
Lovin what you're doin' to me
You got me trippin (oh oh)
You got me trippin (oh oh)
You got me trippin
I'm lovin what you're doin' to meDon't know (oh oh)
Doin' to me
Don't know, don't know
(What cha) doin' to me
Said you don't know, don't know
(What cha) doin to me
You dont know, dont know
(What cha) doin to meAnd now the situations switchin
She's callin all the time
I guess she's the one whos trippin
She used to have a man
But she was untrue
Same way she left him
She would leave you
I'm tryin to stay coolI got you trippin' girl
And you gotta know (know)
I'm lovin what I'm doin to you
I drive you crazy girl
And you gotta know (know)
