[Graham Coxon](#)

Where've you been? Where I can't see  
Wooden lion on your knee  
Washed and dressed by mountain hand  
Came from water to the sand  
Promise me, Caspian Sea  
Caspian Sea (x6)Where've you been? Where I can't see  
Wooden lion on your knee  
Washed and dressed by mountain hand  
Came like water to the land  
Promise me, Caspian SeaCaspian Sea (x12)
