Y'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Fuck that, fuck thatY'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Boom boom boom boomWhat's going on today?
We gotta break away
We got a problem and
I think it's going to make us go downThey think we're all the same
And always we're to blame
For shit I think is lame
It's time to stop the game
I think it's time to pay
For everything you made me sayY'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Fuck that, fuck thatY'all want a single say fuck that
Fuck that, fuck that
Y'all want a single say fuck that
Fuck that, fuck thatWhat's going on today?
Why must it be this way?
We're going nowhere and
We're still knocking the need to bow downThey think we're all the same
And always we're to blame
For shit I think is lame
It's time to stop the game
I think it's time to pay
For everything you made me sayY'all want a single say fuck that
