

# In This River

Zakk Wylde

I've been around this world, Yet I see no end.  
All shall fade to black again and again.  
This storm that's broken me, my only friend.  
Yeah In this river all shall fade to black  
In this river aint no coming back  
In this river all shall fade to black  
Aint no coming back Withdraw a step away, just to find my self  
The door is closed again, the only one left  
This storm that's broken me my only friend  
Yeah In this river all shall fade to black  
In this river aint no coming back  
In this river all shall fade to black In this river all shall fade to black  
In this river aint no coming back  
In this river all shall fade to black In this river all shall fade to black  
In this river aint no coming back  
In this river all shall fade to black Ain't no coming back
