

# Cowboys and Angels (Acoustic Version)

[Dustin Lynch](#)

There's a want and there's a need  
There's a history between  
Girls like her and guys like me  
Cowboys and angels  
I've got boots and she's got wings  
I'm hell on wheels and she's heavenly  
I'd die for her and she lives for me  
Cowboys and angels We ride side by side  
A cloud of dust, a ray of light  
My touch is her temptation  
Her kiss is my salvation  
She's sweet, I'm wild, we're dangerous  
Cowboys and angels I'm not sure why her path crossed mine  
Accident or grand design  
Maybe God just kinda likes  
Cowboys and angels We ride side by side  
A cloud of dust, a ray of light  
My touch is her temptation  
Her kiss is my salvation  
She's sweet, I'm wild, we're dangerous  
Cowboys and angels
