Motion

Khalid

[Verse 1]
[?] beat more than the sun
And that's based off our first impression
I'm gonna hide this affection
But I'm going in that direction
Floating through different dimensions
[?]
Honey, I forgot to mention
I'm so entranced by you, it hurts
[Chorus]
I'm in love with the moment
To me fallin', to me goin'
I'm in love with the moment
To me fallin', to me goin'[Verse 2]
Can't let me go if I'm fallin'
I've been on the path of importance
Nothing left, pull you in slowly
Wherever it's running, we're flowing
I'm coming down, you've been rollin'
And we'll light a [?], now we're open
Pour me a, pour me a potion
I'm rocking, I'm rocking the motions
[Chorus]
I'm in love with the moment
To me fallin', to me goin'
I'm in love with the moment
To me fallin', to me goin'
