Fine Again

Advisory - the following lyrics contain explicit language:

It seems like every day's the same
And I'm left to discover on my own
It seems like everything is gray
And there's no color to beholdThey say it's over and I'm fine again, yeah
Try to stay sober, feels like I'm dying hereAnd I am aware now of how
Everything's gonna be fine
One day, too late, I'm in HellI am prepared now
Seems everyone's gonna be fine
One day, too late, just as wellI feel the dream in me expire
And there's no one left to blame it on
I hear you label me a liar
'Cause I can't seem to get this throughYou say it's over, I can sigh again, yeah
But why try to stay sober when I'm dying here?And I am aware now of how
Everything's gonna be fine
One day, too late, I'm in HellI am prepared now
Seems everyone's gonna be fine
One day, too late, just as wellAnd I'm not scared now
I must assure you
You're never gonna get away
And I'm not scared now,
And I'm not scared now, noI am aware now of how
Everything's gonna be fine
One day, too late, I'm in HellI am prepared now
Seems everyone's gonna be fine
One day, too late, just as wellI am prepared now
Seems everything's gonna be fine
For me, for me, for myself
For me, for me, for myself
For me, for me, for myselfI am prepared now for myself
I am prepared now and I am fine again
