

# Fine Again

[Seether](#)

Advisory - the following lyrics contain explicit language:

It seems like every day's the same  
And I'm left to discover on my own  
It seems like everything is gray  
And there's no color to behold They say it's over and I'm fine again, yeah  
Try to stay sober, feels like I'm dying here And I am aware now of how  
Everything's gonna be fine  
One day, too late, I'm in Hell I am prepared now  
Seems everyone's gonna be fine  
One day, too late, just as well I feel the dream in me expire  
And there's no one left to blame it on  
I hear you label me a liar  
'Cause I can't seem to get this through You say it's over, I can sigh again, yeah  
But why try to stay sober when I'm dying here? And I am aware now of how  
Everything's gonna be fine  
One day, too late, I'm in Hell I am prepared now  
Seems everyone's gonna be fine  
One day, too late, just as well And I'm not scared now  
I must assure you  
You're never gonna get away  
And I'm not scared now,  
And I'm not scared now, no I am aware now of how  
Everything's gonna be fine  
One day, too late, I'm in Hell I am prepared now  
Seems everyone's gonna be fine  
One day, too late, just as well I am prepared now  
Seems everything's gonna be fine  
For me, for me, for myself  
For me, for me, for myself  
For me, for me, for myself I am prepared now for myself  
I am prepared now and I am fine again
