Golden Boy

Kylie Minogue

Here we are again
Dancing in the dark
All the flashing lights
Bend me a spark
I wanna know your name
This ain't my style
I wanna take off of me
And go for awhile
No steps reach frames
3000 miles
There's no morning for mistakesNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?
You are my golden boy, you are my golden boy, you are my golden boyNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?
You are my golden boy, you are my golden boy, you are my golden boyAhI wanna know your name
I'm lost in the dark
There's no one to blame
It's always good when it starts
Here we go again
Midnight to dawn
I forgot your name
And now everything's gone
Everything's gone, everything's gone
There's no morning for mistakesNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?
You are my golden boy, you are my golden boy, you are my golden boyNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?
You are my golden boy, you are my golden boy, you are my golden boyNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?

You are my golden boy, you are my golden boy, you are my golden boyBang Bang Bang 4xNow I'm banging on your door
Just like four up on the floor
This is happening too soon
Why are we battling the moon?
You are my golden boy, you are my golden boy, you are my golden boy
