

Gutterslut

Violence

Slut! Slut! I need a gutterslut oh so bad
The kind of slut that's dirty and bad
I'm gonna fuck her till she pees
I'm gonna make this bitch bleed Fuck her in the ass good and hard
After I've chased her through the yard
I don't use vaseline 'cause I like to
Fuck dirty and mean Slut! Slut! Strip your clothes off with my eyes
Ram my pecker right up inside
The bitch starts whimpering to me
In the morning will you respect me? Awakened rudely in my bed
The bitch just slapped me upside the head
I see the front door's open wide
So I kick this fucking bitch right outside Lines for whores! I've had you too many times before
Your cunthole's begin to widen more
I'll have to tie a board to my ass
Or lose my life in your unforgiving crack Slut! Slut! Slut! Slut! Slut! Slut! Slut!
Slut! Slut! Slut! Slut! Slut!
Slut! Slut! Slut! Slut! Slut!
Slut! Slut! Slut! Slut! Slut! Lines for whores!
