

# Blood On Your Hands

## Arch Enemy

You were born your brother's keeper  
Why can I see blood on your hands?  
You became your brother's slayer  
Embrace again upon death At the end of all this hatred lies even deeper hate  
Their darkness has defeated you  
Your lifeline running backwards Remember, sins of our fathers  
A requiem, for the countless dead Blood is on your hands  
The wages of sin Future's eyes closing now  
Soul eclipse taking place  
Laments rise, tears of the dead  
From the other side of the grave You were born your brothers keeper  
Why can I see blood on your hands?  
Their darkness has defeated you  
Your lifeline running backwards Remember, sins of our fathers  
A requiem, for the countless dead Blood is on your hands  
The wages of sin Future's eyes closing now  
Soul eclipse taking place  
Laments rise, tears of the dead  
From the other side of the grave From the other side of the grave Blood is on your hands  
The wages of sin
