

Separator (Alen Sforzina Homage Remix)

Radiohead

It's like I'm fallen out of bed
From a long, weary dream
The sweetest flowers and fruits are hanging from trees
Falling off the giant bird that's been carrying me
It's like I've fallen out of bed
From a long and vivid dream
Just exactly as I remember
Every word
Every gesture And my heart, in my mouth
Like I'm fallen out of bed
From a long and vivid dream
Finally I'm free of all the weight I've been carrying And as that woman blows her cover
In the eye of the beholder
I'm a fish now out of water
Falling off a giant bird that's been carrying me I fell open
I laid under
At the tip out
I was just your number
I want stay on it
And get back under And if you think this is over
Then you're wrong
If you think this is over
Then you're wrong
If you think this is over
Then you're wrong (Wake me up, wake me up)
If you think this is over
Then you're wrong
(Wake me up, wake me up)
Like I'm fallen out of bed
From a long and vivid dream
Finally I'm free of all the weight I've been carrying When at last you'll give in
When at last you'll give in Wake me up
Wake me up
Wake me up
Wake me up
Wake me up
Wake me up

Wake me up
