

Let's Do It Again

[Kepi Ghoulie](#)

I'm not tired and I'm not bored and I'm not broken and I'm not sore.

You ask me what I want?

It's more!

Let's do it again.

I'm in the mood, you're in the mood, we've got the proper attitude.

I don't care if you're clothed or nude, let's do it again.

Let's go back to old square one, begin where we begun.

Let's go out and have some fun, let's do it again.

Treat each time like it's the first, let the energy dam burst.

It's a blessing not a curse, let's do it again.
